for to-night to take up matters relating to increasing the efficiency of the department in accordance with the increased funds provided in the new budget.

Not only does the budget provide for the part six months, but funds are also provided for purchase of a second motor fire engine, similar to the one which has been successfully used here for the past six months, but funds are also provided for purchase of motor cars for the three chiefs of the department. Another important provision is an allowance in the pay roll by which one-third of the forty-eight call men now employed may be made station men. Under the present schedule each company has an allotment of call men whave other trades, and report only on the ringing of an alarm. Frequently they arrive at first too late or too exhausted to be of service.

Funds are provided by which sixteen of these call men may be made full time station men. The board may therefore reduce the number of call men allotted to each company, or, as has been suggested, it may provice in the central section of the city, present conditions of hundility, how-reesent conditions of hundility, how-

Think This One Over

The Royal Laundry liasn't always been the largest and best equipped in Richmond. No, but even when we were a little laundry, the work we turned out was absolutely O. K., and so we just had to grow to keep up to the demand for work of the Royal kind. And that's why your should send us your shirts and collars.
